

# KLRCA Construction Industry Payment and Adjudication Act (CIPAA) 2012

CONSULTING ENGINEERS SPECIAL INTEREST GROUP

by Ir. Dr. Ooi Teik Aun

**THE** Kuala Lumpur Regional Centre for Arbitration (KLRCA) recently held its first conversion training course for the members of the KLRCA Panel of Arbitrators at the Novotel Hotel, Kuala Lumpur, following the recent ratification of the Construction Industry Payment and Adjudication Act 2012 by Parliament.

More than 50 members took part in the training course. Subsequently, the second conversion training course was organised one month after the first conversion training course was held.

Members of the Institution of Engineers, Malaysia (IEM) who participated in the two-day conversion training course, and who successfully became part of the first batch of the KLRCA panel of Adjudicators include:

- i. Ir. Chong P. E., Vice President of IEM, Chairman, PPC and Arbitrators Appointment/ADR Advisory Board, PPC
- ii. Ir. Dr. Ooi Teik Aun, Chairman DRP subcommittee, PPC and Chairman CESIG, Activities
- iii. Ir. Chong Thaw Sing
- iv. Ir. Leon Weng Seng
- v. Ir. Gong Ngie Dee
- vi. Ir. Dr. Wong Fook Keong
- vii. Ir. Lim Kok Hing
- viii. Ir. Oon Chee Kheng
- ix. Ir. Vincent Lim Kuo Phau
- x. Ir. Yong Hee Leong. ■

Advanced air nozzle technology

Replacing open pipe installations with Silvent compressed air nozzles normally means:

- Lowering the sound level by 50%
- Reducing air consumption by at least 30%
- Complying with OSHA safety requirements
