UniMAP is Committed in Sports Talent Search Among Staff

Pauh Putra, 23 May -Universiti Malaysia Perlis (UniMAP) has always striven to ensure the success of the sports is always at its best.

UniMAP Deputy Vice Chancellor (Student Affairs & Alumni), Assoc. Prof. Dr. Mohd Fo'ad Sakdan said that the university will continue to provide support to the Sports Center in an effort to search for new talents among staff to represent UniMAP in national and international sports competitions.

"In conjunction with the effort, UniMAP Sports Center organized a mini sports championship among UniMAP staff that called as UniMAP Staff Sports Championship (SUKAS) as one of the way to find new talents that can represent UniMAP"

"During the sports tournament, we can see the staff's commitment and dedication from each contested team, which has created a different landscape and became a phenomenal sport that we have not seen before," he said at the Prize Giving Ceremony of SUKAS 2017.

Also present was Director of UniMAP Sports Center, Suhizaz Sudin.

At the event, Team D became the overall champion of SUKAS 2017 that started in March and ended in an early May.

Team D achieved victory by winning four out of the nine contested events such as sepak takraw for seniors and veterans, woodball and badminton.

As a result, Team D took home a trophy and a hamper.

A total of five teams competed in nine sports such as sepak takraw for seniors and veterans, netball, badminton, volleyball for men and women, woodball, tennis and football.
