

UniMAP Showcases Products at SMIDEX 2008 & EAST ASIA SME CONVENTION

The Ministry of Higher Education had invited UniMAP to showcase its R&D products that have commercial value to be marketed free of charge by the Ministry in collaboration with SMIDEX in conjunction with SMIDEX 2008 held at PWTC in Kuala Lumpur from June 4 to June 6, 2008.

The Malaysian Ministry of Higher Education had chosen 8 products for each designated category and paid for the 'raw space' unit allotted to the selected universities. UniMAP's research products chosen by SMIDEX came under the designated categories of 'Agriculture or Agro Based', 'Waste Management and Waste-To-Wealth', 'Palm Oil Based, Industrial Arts and Product Design' and 'Innovative Building Material and Furniture'. UniMAP's research products showcased at the Convention are as follows:
