

Cocktail Reception Hosted by Energy Institute

by Ir. Yau Chau Fong

ELECTRICAL ENGINEERING TECHNICAL DIVISION

ON 7th June 2012, the Energy Institute (EI) of the United Kingdom hosted a cocktail reception in conjunction with the visit of its Professional Affairs Director, Ms. Sarah Beacock, to Malaysia. Amongst the distinguished guests were EI's Malaysia representative, Prof Dr. Ir. Abd Halim Shamsuddin, a representative of the British High Commission, En. Zubir Abdul Aziz as well as representatives from IEM, namely its Executive Director, Ir. Cheang Kok Meng, and Electrical Engineering Technical Division representatives, Ir. Lam Sing Yew and Ir. Yau Chau Fong. The purpose of the meeting was to establish closer ties and initiate the sharing of knowledge between the two organisations.

The Energy Institute (EI) is a professional body for the energy industry, and promotes good practice and professionalism across the depth and breadth of the sector. Incorporated by Royal Charter in 2003, the EI supports around 15,000 individuals and 250 companies across 100 countries, serving society with independence, professionalism and a wealth of expertise in energy matters. The EI is licensed by the Engineering Council (UK) to offer Chartered, Incorporated and Engineering Technician status to eligible applicants, by the Science Council to award Chartered Scientist status, and also licensed by the Society for the Environment to award Chartered Environmentalist status. The purpose of the EI is to develop and disseminate
