CHEMICAL ENGINEERING TECHNICAL DIVISION

THE chairman of Chemical Engineering Technical Division (CETD), Professor Ir. Dr Dominic Foo Chwan Yee, visited the IChemE headquarters at Rugby UK on 12 November, 2013. Professor Foo was welcomed by IChemE Deputy Chief Executive Justin Blades and Communications Manager Matt Stalker. Topics discussed included the cooperation between IChemE and IEM, following the official signing of Memorandum of Agreement between the two organisations earlier this year. Prof. Foo also met with Catherine Cliff, the Managing Editor of IChemE, to discuss on-going cooperation on the publication. Apart from being the Chief Editor for IEM Journal, Prof. Foo is also Subject Editor (Clean Technology) for the IChemE Transactions (Part B) – Process Safety and Environmental Protection, where he handles several special issues for the journal. ■

Ir. Prof. Dr Dominic Foo is Professor of Process Design and Integration at the University of Nottingham Malaysia Campus, and the Founding Director for the Centre of Excellence for Green Technologies. He is a Fellow of the Institution of Chemical Engineers UK (IChemE), and 2012/3 session Chairman for the Chemical Engineering Technical Division (CETD) of IEM. Professor Foo is the Chief Editor for IEM Journal and Subject Editor for Transactions of IChemE Part B. He is the winner of the Innovator of the Year Award 2009 (IChemE), Young Engineer Award 2010 (IEM) and Outstanding Young Malaysian Award 2012.
