

IEM-YES 45th Annual Dinner

YOUNG ENGINEERS SECTION

reported by
Sdr. Thiban Raaj

Sdr. Thiban Raaj is a Final Year student in Universiti Tenaga Nasional, pursuing Bachelors in Electrical Power Engineering. He has been actively involved in Young Engineers Section of IEM and currently is an Ordinary Committee Member in YES.

13 JUNE 2015, KUALA LUMPUR: The IEM YES annual dinner 2015 had the theme, 45 Shades Of YES, to commemorate the 45th year of Young Engineers Section in the Institution of Engineers Malaysia (IEM). The dinner was held at Corus Hotel Kuala Lumpur, a stone throw's from KL City Centre.

About 20 tables were sold to various parties such as sponsors, YES student sections and individuals. The guest of honour was IEM President Dato' Ir. Lim Chow Hock.

Those who attended had fun posing for pictures at the Photo Booth and several

performances were arranged as entertainment, including Accapella Duo and Diabolo from APU.

Everyone enjoyed the eight-course Asian cuisine dinner and later, the event was made merrier by a cake-cutting ceremony by previous and current members of YES.

In conjunction with the dinner, several awards were presented to show appreciation to young engineers who had served the society well. These included the IEM Young Engineer Award for both Industrial and Academic, the best committee member, the best volunteer, the best student section and the best branch.
