

### **UniMAP, JobHouse To Train 75 Students**

ARAU 14 Jan – Universiti Malaysia Perlis (UniMAP) Centre for Industrial and Governmental Collaboration (CIGC) and JobHouse Sdn. Bhd. (JHSB) are prepared to train the first batch of 75 students this year through the Hi Tecs Graduate Marketability Programme.

The Director of UniMAP CIGC Dr. Mukhzeer Mohamad Shahimin said that the programme was carried out every year so that graduates would be not only technically adept but also be able to communicate and skilled in management which is needed in the industry.

“The program allows UniMAP to integrate soft skills with teaching and learning and exposing the students to the reality of a working environment early on,” he said after launching the Hi Tecs Graduate Marketability Programme in the Tuanku Syed Faizuddin Putra Library at the Pauh Putra Permanent Campus here today.

Also present was the Chief Executive Officer (CEO) of JHSB, Sam Elias. - Utusan Online.
