

CALL FOR PAPERS

Important Dates:

Deadline for Abstract Submission : **1 August 2011**
Notification of Acceptance : **15 August 2011**
Deadline for Full Paper Submission : **15 September 2011**

Abstract:

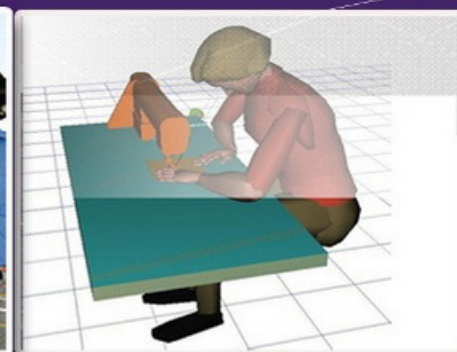

An abstract containing not more than 300 words should be submitted to ERGOSYM 2011 Secretariat before 1 AUGUST 2011. The abstract should state: The title of the paper, Author's name(s) and affiliation(s), Objective(s), Results, Conclusions and five keywords

If the abstract is accepted, the author(s) will be asked to submit a full paper for publication in the proceedings.

The official language of this symposium is English.

ERGOSYM 2011

ASIA PACIFIC

Asia Pacific Symposium on Advancements in Ergonomics & Safety

BEM Approved 8 CPD Hours

Ref. No.: 154 dlm BEM/REG/12 Jld. 1

*"Ergonomics & Safety for All:
Academia, Industry & Community"*

Date: 5-6 December 2011

Venue: Universiti Malaysia Perlis Main Campus

Organized by:
School of Manufacturing Engineering
Universiti Malaysia Perlis

WEBSITE: <http://publicweb2.unimap.edu.my/~ergosym2011>

Introduction:

On 1st dan 2nd December 2009, School of Manufacturing Engineering, Universiti Malaysia Perlis, had successfully organized a National Symposium on Advancements in Ergonomics and Safety (ERGOSYM 2009). 46 papers were presented and published in the conference proceedings.

As a continuation from ERGOSYM2009, School of Manufacturing Engineering is planning to organize an Asia Pacific Symposium on Ergonomics and Safety (ERGOSYM2011). Similar to ERGOSYM2009, ERGOSYM2011 aims is to provide an appropriate the platform for experts from various fields of ergonomics and safety to share and exchange their experience and expertise in promoting ergonomics and safety. However, ERGOSYM2011 is not limited to local participants only but instead extended to the South East Asian region.

Objective:

The main objective for this symposium is to provide forum on various areas of expertise related to recent advancement, current trends and best practices in ergonomics and safety to promote quality of working life.

ERGOSYM 2011 intended to provide opportunity for ergonomists, SHOs, professionals, engineers, academicians and researchers to present and share their works and findings on latest development as well as current trends and best practices in ergonomics and safety.

Abstract Submission:

An abstract containing not more than 300 words should submmited to ERGOSYM 2011 Secretariat before 1 AUGUST 2011.The abstract should state:

The title of the paper, Author's name (s) and affiliation (s) ,
Objective(s), Results, Conclusions and five keywords

If the abstract is accepted, the author (s) will be asked to submit a full paper for publication in the proceedings. The official language of this symposium is English.

Topics covered:

As part of the symposium, we will be organizing oral and poster presentations, we would like to invite ergonomists, SHOs, professionals, engineers, academicians and researchers to submit scientific papers for ERGOSYM 2011.

The topics of ERGOSYM 2011 includes, but not limited to the following areas:

- | | |
|------------------------------------------------------------------------|----------------------------------------------------------------|
| -Basic Ergonomics | -Emergency Response |
| -Posture, Anthropometry, Biomechanics | Planning & Preparedness |
| Material Handling | -OSH Management |
| -Physical & Cognitive Ergonomics | -Chemical/Fire Safety |
| -Human Computer Interaction | -Personal Protective Equipment |
| -Office Ergonomics | -Safety in SMI Construction,
Manufacturing, Agriculture etc |
| -Methods in Ergonomics | -Risk Assessment |
| -Ergonomics Design | -Industrial Hygiene & Management |
| -Ergonomics Program Management | -Toxicology |
| -Ergonomics in SMI,
Agriculture, Construction,
Manufacturing etc | -OSH information and
Communication |
| -Work Related Musculoskeletal
Disorders | -OSH Success Stories
(Sharing Experiences) |
| -Implementing Ergonomics | -OSH Issues |
| -Automotive, Industrial Ergonomics | -Crisis Management |
| -Low-Cost Improvement | -Environmental Safety |
| Driving Ergonomics | -Road Safety |

Symposium fees:

Malaysian	International
RM400	USD200
RM300 Student	USD100 Student
