

The 2nd Entrepreneurship and Management International Conference (EMIC 2011)

2011

**HOTEL SERI MALAYSIA
KANGAR, PERLIS**

17-19 DECEMBER

"Future Transformation and Sustainability"

The 2nd Entrepreneurship and Management International Conference (EMIC 2011) provides a venue for substantive discussions dealing with entrepreneurship in its broadest sense and the management of entrepreneurial organizations. While EMIC 2011 is dedicated to investigating entrepreneurship across a broad spectrum of organizations, from new ventures to family-owned businesses to large corporations it also welcome research articles that are international in scope but having both global and domestic relevance. The papers accepted for the conference proceeding are also expected to have important implications for business practice and relevant public policy decisions. High quality papers identified in the review process shall be considered into International Journal of Economics and Business Modelling, Journal of Business Excellence e-Journal UiTM Perlis, Jurnal Inteltek (Special International Edition) and International Journal of Business and Technopreneurship.
