Gross domestic product (GDP) per capita at current prices in ASEAN Member States

GDP per capita of AMSs varies remarkably, with Singapore and Brunei Darussalam showing per capita GDP of above 38 thousand US Dollar at one end, and CLMV with less than 1,500 US Dollar at the other end. Indonesia, Malaysia, Philippines and Thailand's GDP per capita was within 2,300 and 9,700 US Dollar.

Notes: Myanmar data is based on the paralel exchange rate as used in the IMF-WEO database of April 2012 in which the US\$1 = 811 Kyats (for 2011). Sources of data: ASEAN Secretariat Database and IMF World Economic Outlook Database April 2012
