

KUKUM Research Exhibition 2006

This exhibition which was held on 15 May 2006, was designed to showcase all the research output from KUKUM. The venue was at the foyer of the KWSP Building, Kangar and hence, the public had the opportunity to browse through the exhibition.

Prof. Ku Halim of UiTM delivered his research motivation speech, as a start-off for the event. There were 33 inventions and innovations exhibited on this one-day exhibition, which doubled as a preparation for ITEX 2006.

His Royal Highness DYMM Tuanku Canselor, graced this exhibition with his most warming presence. DYMM also officiated this exhibition as well as presenting certificates for winning entries.
