

A delegation of Deputy Vice Chancellors (Research & Innovation) of the Public Institutes of Higher Education (IPTA) had made a working visit to Prince of Songkhla University in Haadyai, Thailand, on 16 and 17 October 2008. A notable exception in this visiting team was the presence of Mr. Ramzan Mat Ayub, Deputy Dean of R&D Unit (UniMAP) and Mr. Muhammad Najib Othman, Administrative Officer of Deputy Vice Chancellor's (Research & Innovation) Office (UniMAP). The delegation was led by Prof. Dr. Dahlan Ismail, Deputy Vice

Chancellors (Research & Innovation), Universiti Utara Malaysia. The President and Deputy Dean (Research & Postgraduate Studies) of Prince Songkhla University honoured this delegation from Malaysia. A detailed explanation of PSU's organizational structure and its research activities was given to the delegation. Discussions and sharing of experiences between delegation members and PSU representatives was held thereafter. Ideas and possibilities of joint research programmes and joint post-graduate degrees were also discussed.
