Call for Participations

Introduction:

This International Postgraduate Conference on Engineering (IPCE 2011) is organized by Center for Graduate Studies (CGS), Universiti Malaysia Perlis (UniMAP). The theme of the conference is "Towards A New Decade of Engineering Excellence". This is the third (IPCE2011) conference fully organized by postgraduate students of UniMAP to provide a platform for sharing their innovative ideas and researches among them. IPCE 2011 explores the theory, analysis, design efficiency and application underlying various fields of engineering. Original contributions are solicited on topics covered under broad areas such as:

Key Focus Areas:

- Biomedical Electronic Engineering
- Bioprocess Engineering
- Communication Engineering
- Computer Engineering
- Electrical System Engineering
- Environmental Engineering
- Manufacturing Engineering
- Material Engineering
- Mechanical Engineering
- Mechatronic Engineering
- Microelectronic Engineering
- Product Design Engineering
- Nano Electronic Engineering

All postgraduate students (full time & part time) are invited to submit a full manuscript in English, limited to a minimum of 4 pages and maximum of 6 pages in IPCE2011 conference format, including figures, tables, and references. All IPCE 2011 papers will be handled and peer reviewed electronically by the experts on their specialized areas. Notification of paper submission and review report will be informed by email.

Papers will be published in IPCE 2011 CD proceedings and abstracts in the conference handout. All the authors are requested to send their full paper in both *.pdf* and *.doc* to tripce2011@gmail.com not later than **8th July 2011**.
