

SIIF, Seoul Korea, a Victorious Closure for the Year 2010

The participation of UniMAP in the discipline of research and innovation at the recent Seoul International Invention Exhibition (SIIF 2010) which was held from the 1-5 of December 2010 in Seoul, Korea signifies a victorious and memorable closure for the year 2010.

After having successfully attained 8 awards at various international competitions in United Kingdom and Germany early this year, UniMAP's achievements at SIIF 2010 not only adds on to its list of accomplishments gained throughout the year 2010 but also signifies the efforts and commitment of UniMAP researchers and continuous support from the top management. The four awards ; 3 gold and one silver once again demonstrate UniMAP research products are of top quality and meets the international standards. The gold award were earned by En. Mohd Mustafa Al Bakri Abdullah, Ir. Anuar Mat Safar and En. Zulkifli Hussin. Dr Supri A. Ghani contributed the silver award.

The "Creative Invention Award" which was sponsored by World Intellectual Property Organization (WIPO) was awarded to another UniMAP research product entitled 'A Low Cost Portable Fruit Maturity System'. The accomplishments earned at the recent SIFF 2010 were also shared with the Vice Chancellor of UniMAP, Y. Bhg. Brig. Jen. Dato' Prof. Dr. Kamarudin Hussin and a few UniMAP Deans who were there on official duties.
