APU and UKM Join List of Universities Signing MoU with IEM

MOU Signing Ceremony between IEM President: Dato’ Dr Lim Chow Hock and APU Chief Executive Officer of APIIT Education Group, Dato’ Dr Parmjit Singh.

The Institution of Engineers Malaysia (IEM) signed Memorandums of Understanding (MOU) with Asia Pacific University of Technology and Innovation (APU) on 6th Jan 2015 and Universiti Kebangsaan Malaysia (UKM) on 22nd Jan 2015.

The MOU between IEM and APU was signed between IEM President: Dato’ Dr Lim Chow Hock and the Chief Executive Officer of APIIT Education Group, Dato’ Dr Parmjit Singh.

The signing ceremony between IEM and UKM was during the 30th Anniversary Celebration for UKM’s Faculty of Engineering And Built Environment. The signatories were: IEM President, Dato’ Dr Lim and UKM Vice Chancellor, Dato’ Dr Noor Adan Ghazali.

Present at the ceremony was Emeritus Dato’ Dr Mohamad Zawawi smail, Chairman of the Board of Directors for UKM and former Dean of UKM’s Faculty of Engineering And Built Environment (FABE), who officiated at the 30th Anniversary Celebration. Dato’ Dr Mohamad Zawawi talked in length about his early involvement in UKM which was instrumental to the formation of FABE.

Also present were: Dato’ Dr Wan Mahmood bin Wani Abdul Majid (IEM Vice President and Chairman of Standing Committee of Admission and Practical Training), Dato’ Sunny Nair (IEM Honorary Secretary), Dato’ Dr Cheong Thiam Fook (Chairman of IEM Membership Drive), Dato’ Chee Fui (Executive Director of IEM) and the Deans and Vice-Chancellor of both universities.

The purpose of the MOU is to strengthen, promote and develop international and research co-operation between IEM and the universities (APU and UKM) for mutual benefits.

The MOU will enhance co-operation that will bring about benefits to both the engineering students as well as the academic staff of APU and UKM. The MOU will also provide incentives to the IEM-Student Chapter in both universities to conduct engineering activities for the students.
FORUM

MoU between IEM and UKM was signed between IEM President, Dato' Jum Chow Hock and UKM Vice Chancellor Prof. Dato' Dr Noor Azlan Ghazali.

IEM is currently in discussion with several other universities to establish similar MoUs and so provide opportunities for engineering lectures and students to attend courses and workshops organised by IEM to enhance their technical knowledge in latest engineering aspects.

During both MoU signing ceremonies, Dato’ Jum Chow Hock strongly encouraged students of both universities to become Student Members of IEM and subsequently become the Graduate Members upon graduation. He also encouraged engineering lecturers to become members of IEM and registered Professional Engineers.
