

# International Conference on Mathematics and Natural Sciences 2006 (ICMNS 2006)

An International Conference on Mathematics and Natural Sciences 2006 (ICMNS 2006) was organized by Institut Teknologi Bandung Indonesia, between 29 - 30 November 2006. In this conference numerous South East Asian scientists had participated. KUKUM's Deputy Rector (R&I), Assoc. Prof. Dr. Zul Azhar Zahid Jamal was the honoured invited keynote speaker. His lecture was titled "Trends in Global and Local Biosensor Technologies". This lecture was aimed at marrying the two distinct and diverse fields of microelectronic and biotechnology.

The conference was organized to promote the development of sciences and their prospects in the development of science based technology. It also served as a celebration for the 59th anniversary of the Faculty of Mathematics and Natural Sciences, ITB. The scope of this conference was, but not limited to the fields of health and environmental sciences, material sciences, mathematics and computer science, instrumentation, simulation, and modeling, biosciences and biotechnology, and earth and space sciences. A number of researchers from KUKUM also attended the conference
